

Go anywhere with us.

Led by a certified hand therapist with more than 30 years of experience and supported by a team of local hand therapy coordinators, our therapists are passionate about treating the unique needs of patients with upper extremity injuries. Join our supportive team of likeminded clinicians providing hand therapy across the country.

Our hand therapists enjoy:

- National upper extremity symposium
- Certification in upper limb manual therapy
- More than 200 courses/trainings offered annually
- Career ladder and hand therapy mentorship program
- Full access to variety of peer-reviewed journals

300+ CHTs, largest employer of hand therapists in the U.S.

600+ OTs and PTs specializing in upper extremity rehabilitation

More than 300 outpatient locations providing hand therapy
